- Good ~~morning~~ Chairman Nichols & members of the
- My name is Jocelyn Vivar & I represent East Yard Community for Environmental Justice.
- Thank you for taking the time this Friday morning to be here in Diamond Bar to listen to the concerns of those most affected from railyard diesel emissions. We hope you make the right decision & not settle for minimum emission reductions through incentive programs.
- According to ^{a very important document by ARB titled} ~~the ARB's~~ Policies & Action for Environmental Justice document, the agency is committed to identifying & reducing air pollution & ~~reducing air pollution~~ emissions, exposures, & health risks, air prevention, & reducing air pollution is the Board's highest priority, [as stated in this document]
- State law defines environmental justice as the fair treatment of people of all races, cultures, & incomes w/ respect to the development, adoption, implementation, & enforcement of environmental laws, regulations, & policies.
- Given this definition & the fact that our communities are disproportionately affected by the diesel emissions from the railyard, strong rules & regulations need
