Dear Ms. Reynoso:

Thank you again for your California Public Records Act (CPRA) request for any responsive records where the Air Resources Board (ARB) had exercised "its authority to amend nonattainment area plans as stated in Health and Safety Code Section 41652."

All divisions within the ARB have completed their search for related materials. Unfortunately, the ARB does not have any documents related to your request. If you have any questions, please call me at (916) 445-9563.

Sincerely,

Christina Vue
Student Assistant to the Public Records Act Coordinator
Office of Legal Affairs, ARB
