Re: Public Records Act Request

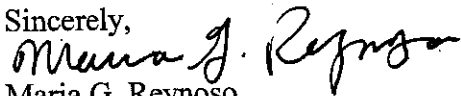

Dear Sirs:

Pursuant to the Public Records Act Request, I request any and all documents pertaining to the Air Resources Board's use of its authority to amend nonattainment area plans as stated in Health and Safety Code section 41652:

If, after the public hearing, the state board finds that the nonattainment area plan approved by the designated air quality planning agencies does not comply with the requirements of the Clean Air Act (42 U.S.C. Sec. 7401 et seq.), the state board may adopt such revisions as necessary to comply with such requirements, except as otherwise provided in Article 5.5 (commencing with Section 53098) of Chapter 1 of Part 1 of Division 2 of Title 5 of the Government Code.

I request any and all resolutions where the ARB has exercised its authority under this section. The time frame for this request is from November 15, 1990 until the present. Also, for each exercise of that authority, provide copies of (1) any and all resolutions; and (2) amendments made to nonattainment plans. Please contact me by email if you have any questions or concerns.

Sincerely,

A handwritten signature in cursive script, appearing to read "Maria G. Reynoso".
