

Vehicle Eligibility Application Submittal Instructions for Original Vehicle Manufacturers

Applications for original vehicle manufacturers to have zero-emission trucks and buses, Low NOx engines or hybrid vehicles approved by the California Air Resources Board (CARB) as eligible for the Hybrid and Zero-Emission Truck and Bus Voucher Incentive Project (HVIP) should be mailed to:

Patrick Chen
California Air Resources Board
Mobile Source Control Division
9480 Telstar Avenue, Ste #4, Annex 5
El Monte, CA 91731

Please notify Patrick by e-mail at patrick.chen@arb.ca.gov when the application is mailed. There is no deadline for application submittal. Vehicle eligibility applications will be evaluated in the order hardcopies are received.

Questions regarding submittal of the vehicle eligibility application or application requirements should be directed to Patrick at the above e-mail address or at (626) 350-6520.
