Public Work Group Teleconference for Fiscal Year 2018-19 Allocation for Light-Duty Vehicle Equity Projects on April 4, 2018

Workgroup

On March 15, 2018, the California Air Resources Board (CARB) held a public workshop to present the Fiscal Year 2018-19 Low Carbon Transportation Investments and Air Quality Improvement Program (AQIP) Funding Plan, which presented the Governor's Proposed Budget with an allocation of \$100 million for light-duty vehicle equity projects. This public work group teleconference is to present updates on the status of existing projects and to discuss and receive input from stakeholders regarding initial allocations and project concepts.

The suite of CARB light-duty vehicle equity pilot projects includes EFMP Plus-up / CleanCars4All, Financing Assistance for Lower-Income Consumers, Car Sharing and Clean Mobility Options, Agricultural Worker Vanpools, and the Rural School Bus pilot projects.

This work group teleconference will be held at the following date and time:

Date:	Wednesday, April 4, 2018
Time:	1:00 p.m. to 3:00 p.m. (PST)
Call-in Number:	800-593-8957
Passcode:	3280825

Limited space will be available for stakeholders who would like to attend in person, and all teleconference participants will have an opportunity to comment.

Location: Cal/EPA Headquarters Building
Conference Room 350
1001 I Street
Sacramento, California 95814
