

CALIFORNIA AIR RESOURCES BOARD

NOTICE OF PUBLIC WORK GROUP TELECONFERENCE MEETING TO UPDATE LIGHT-DUTY PILOT PROJECTS TO BENEFIT DISADVANTAGED COMMUNITIES

The Air Resources Board (ARB or Board) will conduct a public work group teleconference meeting at the time and place noted below to provide updates on the Fiscal Year (FY) 2014 15 Light-Duty Pilot Projects to Benefit Disadvantaged Communities (see table below), introduce FY 2015 16 Light Duty Pilot Projects, and discuss the public work group and workshop process for the FY 2016-17 Funding Plan for ARB's Low Carbon Transportation Investments and Air Quality Improvement Program (AQIP).

Date: November 17, 2015
Time: 1:30 p.m. – 3:30 p.m.
Dial-In Number: (888) 942-9866, Participant Code 38189
Place: Cal/EPA Headquarters Building
Conference Room 710
1001 I Street
Sacramento, California 95814

Space is limited. If attending the meeting in person, please notify Mr. Tim Hartigan at Tim.Hartigan@arb.ca.gov or (916) 324-0202 in advance and check-in at the first floor security desk upon arrival. Staff will escort you to the meeting room.

An agenda for this work group teleconference will be posted at:

Light-Duty Pilot Projects to Benefit Disadvantaged Communities	
Increased Incentives for Public Fleets	Rebates of up to \$15,000 for public fleets in disadvantaged communities. Project is administered as a set aside within the Clean Vehicle Rebate Project.

Light-Duty Pilot Projects to Benefit Disadvantaged Communities	
Car Sharing and Mobility Options	Funding to establish advanced clean car sharing fleets in or near disadvantaged communities.
Enhanced Fleet Modernization Program (EFMP) Plus-up	Additional incentives above the base incentives offered by the existing retire and replace program for lower-income consumers in and near disadvantaged communities who retire older, higher emitting vehicles and replace them with used or new hybrid, plug-in hybrid, or zero-emission vehicles.
Financing Assistance	Improved financing options for lower income consumers in disadvantaged communities to acquire advanced technology vehicles.
Agricultural Worker Vanpools in the San Joaquin Valley	Funding to establish expanded access to cleaner transportation options for agricultural workers in San Joaquin Valley's disadvantaged communities. (New for FY 2015-16)

Stakeholders are invited to join email lists to be notified of future Light-Duty Pilot Projects' work group meeting dates, times, and agendas. Please contact Ms. Stella Ling Taylor at Stella.LingTaylor@arb.ca.gov and indicate the pilot projects provided in the table above that you would like to be added to.

If you have questions or comments regarding this teleconference meeting or Light-Duty Pilot Projects, please contact Mr. Tim Hartigan at Tim.Hartigan@arb.ca.gov or (916) 324-0202.

If you have a disability-related accommodation need, please go to: <http://www.arb.ca.gov/html/ada/ada.htm> for assistance, or contact the Americans with Disabilities Act Coordinator at (916) 323-4916. If you are a person who needs assistance in a language other than English, please contact the Bilingual Coordinator at (916) 324-5049.

You are receiving this single arbcombo email because you are a subscriber to or have made a public comment to one or more of the following lists: aqip, auctionproceeds, cc, clean_cars, driveclean, and ms-mailings.
