

**Eileen Wenger Tutt**

*Executive Director*

*California Electric Transportation Coalition*

Prior to becoming the Executive Director of the California Electric Transportation Coalition, Eileen Tutt worked in California State government for over 15 years. Most recently, Eileen served as Deputy Secretary for the California Environmental Protection Agency (Cal/EPA). Prior to her time at Cal/EPA, Eileen worked for the California Air Resources Board. Eileen helped develop regulations and programs that have placed the State of California at the forefront of environmental protection.
