TO: All Interested Parties

SUBJECT: PUBLIC MEETING ON ELECTRIC VEHICLE CHARGING INFRASTRUCTURE NEEDS

Air Resources Board (ARB or Board) staff invites you to participate in a public meeting on near-term challenges and solutions to address the charging infrastructure needs of electric vehicles in California.

Topics to be presented for discussion at the meeting include:

- Electric Vehicle Supply Equipment (EVSE) design and features
- Near-term metering and billing challenges prior to Smart Meter implementation
- Recent and upcoming public charging station deployment
- Status and potential retrofit of existing public charging stations
- Impact of local ordinances and building codes

Details of the meeting are as follows:

Date: September 23, 2009
Time: 8:30 a.m. – 12:00 p.m.
Location: California Air Resources Board
Monitoring and Laboratory Division Conference Room
1927 13th Street
Sacramento, California 91814

If you require special accommodations or language needs please contact Ms. Kathy Leuterio at (916) 322-1731 or kleuteri@arb.ca.gov, as soon as possible but no later than 10 business days before the scheduled meeting. TTY/TDD/Speech-to-Speech users may dial 7-1-1 for the California Relay Service.

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our website: http://www.arb.ca.gov.
We welcome and encourage your participation. If you have questions regarding the meeting, please contact Ms. Elise Keddie, Manager, at (916) 323-8974, or by email at ekeddie@arb.ca.gov

Sincerely,

/s/

Robert H. Cross, Chief
Mobile Source Control Division
