SUBJECT: INCENTIVE PROGRAMS ADVISORY GROUP PUBLIC MEETING

The staff of the Air Resources Board (ARB or Board) invites you to participate in a public meeting of the Incentive Programs Advisory Group to be lead by Board Member Sandra Berg. The Advisory Group provides a forum for discussing policy level issues relating to the implementation of California's air quality incentive programs, including the Carl Moyer Program, Goods Movement Emission Reduction Program, Lower-Emission School Bus Program, AB 118 programs, and other locally run air district programs. We encourage all interested stakeholders to attend.

The meeting will be held at the following time and place:

Date: November 3, 2010
Time: 11:00 am to 2:30 pm
Place: Air Resources Board
California Environmental Protection Agency Headquarters
Sierra Room
1001 I Street
Sacramento, California 95812

A tentative meeting agenda is attached. There will be short presentations to kick off each agenda item, but we intend to reserve most of the time for stakeholder discussion. A final agenda will be posted several days before the meeting on ARB's web site: http://www.arb.ca.gov/msprog/moyer/advisory_group.htm.

If you require a special accommodation or need this document in an alternate format (i.e. Braille, large print) or another language, please contact Laura Zaremba-Schmidt at (626) 459-4394 or lzaremba@arb.ca.gov as soon as possible, but no later than 10 days before the scheduled event/meeting.

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our website: <http://www.arb.ca.gov>.
