TO: Vehicle Manufacturers of Passenger Cars, Light-Duty Trucks and Other
ZEV Reporting Parties

SUBJECT: 2012 ZEV DATA REPORTING

There are a few items for the 2012 Zero Emission Vehicle (ZEV) data reporting that need your attention. As the Air Resources Board develops a new submission process, "ZEV Credit Reporting Data and Tracking System" (ZEV CRDTS), we ask that you assist staff this year by:

- Providing accurate data following the format in MAC 2011-02.
- Sending data to Krista Eley before the May 1 deadline if possible. If it is a choice between accuracy and earlier submission, accuracy is preferred.
- Avoiding a September 1 Supplemental Report if changes are minute.
- Responding quickly to staff when amendments or additional documentation is needed.
- Contacting Anna Wong (awong@arb.ca.gov) for ZEV regulation questions.

In addition, due to resource demands, delays may result in the processing of Advanced Demonstration Executive Orders and Transportation System Executive Orders, as well as the posting of ZEV data on the web.

Thank you for your cooperation and patience in this process. If you have any questions regarding this letter, please contact Ms. Elise Keddie, Manager, at (916) 323-8974 or via email at ekeddie@arb.ca.gov.

Sincerely,

/s/

Annette Hebert, Chief
Mobile Source Control Division

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our website: <http://www.arb.ca.gov>.
