Mr. Alan Abbs
Air Pollution Control Officer
Tehama County Air Pollution Control District
Post Office Box 8069
Red Bluff, California 93535

Dear Mr. Abbs:

The California Air Resources Board (ARB) recently concluded an audit of the Tehama County Air Pollution Control District's (District) Carl Moyer Memorial Air Quality Standards Attainment Program (Carl Moyer Program or Program). Enclosed is our Audit Report. We found that the District's Program is achieving the expected emission reductions and generally meeting State requirements.

The audit resulted in two findings: 1) unreconciled District Program and fiscal records and 2) complete, but late, expenditure of funds. The District has already mitigated the first finding to ARB's satisfaction, and no mitigation is required on the second finding. The details are in the enclosed Audit Report.

Per the Carl Moyer Program Guidelines, the District has 30 days from the date of this letter to submit comments. After that, ARB's audit report and your written responses will be posted on ARB's and the Governor's website. We encourage you to make this information public within the District.

If you have any questions about the audit, please contact Mr. Charles Kersey, Manager, at (916) 322-6922 or via email ckersey@arb.ca.gov, or Ms. Laura Zarembo-Schmidt, Air Resources Engineer at (626) 459-4394 or via email lzarembo@arb.ca.gov.

Sincerely,

James N. Goldstone
Executive Officer

Enclosure
