Subject: Revised Mobile Source Credit Guidelines

The enclosed document is the latest revision of the Mobile Source Emission Reduction Credit Guidelines. This document includes the newest guidelines for generating credits for emission reductions based on the purchase and operation of reduced-emission heavy-duty vehicles, as approved by the Board in October 1995.

Should you have questions or comments on the contents of this document, please contact Steve Church, Air Resources Engineering Associate, Mobile Source Division at (916) 323-5189.

Sincerely,

/s/

K. D. Drachand, Chief  
Mobile Source Division
