Small Off Road Engine Evaporative Emission System Components

Q-08-010
PML, Inc./Marugo Rubber Industries, Ltd.
Fuel Hose

WHEREAS, Pursuant to California Health and Safety Code, sections 39600, 39601 and 43013, the California Air Resources Board (ARB) has established a certification process for evaporative emission system components designed to control gasoline emissions from small off-road engines, as described in title 13, California Code of Regulations, (13 CCR), section 2767.1;

WHEREAS, Pursuant to California Health and Safety Code, section 43013, ARB has established criteria and test procedures for determining the compliance of evaporative emission system components with the design requirements in 13 CCR, section 2754;

WHEREAS, Pursuant to 13 CCR, section 2767.1, ARB Executive Officer may issue an Executive Order if he determines that the small off-road engine evaporative emission system component conforms to the applicable performance requirements set forth in 13 CCR, section 2754; and

WHEREAS, Pursuant to Health and Safety Code, sections 39515 and 39516, ARB Executive Officer issued Executive Order G-05-008 delegating to the Chief of ARB Monitoring and Laboratory Division (MLD), the authority to certify small off-road engine evaporative system components.

NOW, THEREFORE, I, William V. Loscutoff, Chief of MLD, find that PML, Inc./Marugo Rubber Industries, Ltd. FKM/ECO fuel hose conforms with the performance requirements set forth in the 13 CCR, section 2754, when tested at a constant temperature of 40 °C, pursuant to SAE J1737, using an approved test fuel of Phase II Certification Fuel.

IT IS ORDERED AND RESOLVED that the following small off-road engine fuel hoses manufactured by PML, Inc./Marugo Rubber Industries, Ltd. are certified for use in small off-road equipment.

Table 1
Dimensions and Tolerances for PML, Inc./Marugo Rubber Industries, Ltd. FKM/ECO Fuel Hose

Nominal Inside Diameter(s) (mm)	Minimum FKM/ECO Barrier Thickness (mm)
4.0 +/- 0.3 or greater	0.5 + 0.4/- 0.0

IT IS FURTHER ORDERED that PML, Inc./Marugo Rubber Industries, Ltd. shall provide a warranty to equipment manufacturers purchasing the FKM/ECO fuel hose. The warranty must conform to the requirements of 13 CCR, section 2760.

IT IS FURTHER ORDERED that the certified PML, Inc./Marugo Rubber Industries, Ltd. FKM/ECO fuel hose shall be installed in accordance with the manufacturer's installation and use instructions for PML, Inc./Marugo Rubber Industries, Ltd. FKM/ECO fuel hose. A copy of this Executive Order, fuel hose installation, and use instructions, shall be provided to manufacturers purchasing FKM/ECO fuel hoses for installation on small off-road engines and equipment introduced into commerce in California.

IT IS FURTHER ORDERED that fuel hoses listed in Table 1, shall be clearly identified by a permanent identification that allows ARB to identify manufacturer's name, executive order number, and model number.

IT IS FURTHER ORDERED that any alteration to the fuel hose certified hereby is prohibited. Any alteration or modification of the design approved by this Executive Order will require the manufacturer to apply for a new Executive Order.

IT IS FURTHER ORDERED PML, Inc./Marugo Rubber Industries, Ltd. FKM/ECO fuel hose shall be compatible with fuels in common use in California at the time of certification, and any modifications to comply with future California fuel requirements shall be approved in writing by the Executive Officer or Executive Officer's delegate.

IT IS FURTHER ORDERED that the component certification of PML, Inc./Marugo Rubber Industries, Ltd. FKM/ECO fuel hose can be referenced in certification applications for small off-road engines and equipment that use small off-road engines, unless the Executive Officer finds that PML, Inc./Marugo Rubber Industries, Ltd. FKM/ECO fuel hose no longer meets the performance requirements set forth in 13 CCR, section 2754, when tested pursuant to 13 CCR, section 2765.

Executed at Sacramento, California, this 3rd day of March 2008.

William V. Loscutoff, Chief
Monitoring and Laboratory Division
