If you want to change the information of a vehicle or engine, please enter in the vehicle Equipment Identification Number (EIN) on the attached page, and then provide the updated information in the spaces provided. If you do not need to update a field, please leave the space blank. If you are trying to update a field that is not listed in the tables below, you do not need to fill out this form. Instead, please call the DOORS hotline for assistance in making the change.

Additionally, please attach a picture of the vehicle, engine label, or other documentation to support the need for the revisions listed below. If this documentation is NOT included, this request may be rejected.
