

Verified Diesel Emission Control Strategy (VDECS) Information Page

This guide provides instructions on how to report a VDECS and definitions for the information required on the “VDECS” page of DOORS, which is the online reporting system for the In-Use Off-Road Diesel-Fueled Fleets Regulation (Off-Road Regulation).

Steps to Reporting VDECS

- A. Report VDECS Information
- B. Definition of Terms

A. Report VDECS Information

Note: You will only be able to enter VDECS information if you have already entered the vehicle and engine information.

1. Click [Add/Edit] next to the EIN for the vehicle for which you would like to enter VDECS information.

	Vehicle Information			Engine Information			VDECS Information						
	Line #	EIN	Veh Serial #	Your Veh #	Eng Serial #	Eng MY	Eng hp	VDECS Serial #	Date Purchase	Date Installed	VDECS Family Name	Use Old VDECS on the New Engine	VDECS Warranty Status
Add/Edit	1	VB7K55	Test Funded Vehicl	Funded Veh #1	Test Funded Veh	2014	100						

2. The “Add VDECS” table will open. Enter VDECS Serial #, Date Purchase, Date Installed, and VDECS Family Name on this screen.

Add VDECS					
Vehicle Information			Engine Information		
EIN	Veh Serial #	Your Veh #	Eng Serial #	Eng Model Year	Eng Purchase Date
PW7G87	1234567891011	Veh 1	987654321	2005	2006-06-12
VDECS Information					
VDECS Serial #	Date VDECS Purchase (yyyy-mm-dd)		Date VDECS Installed (yyyy-mm-dd)		
121235677	2017	1	1	2017	2
VDECS Family Name					
Experimental :					
Save Data					

B. Definition of Terms

Field	Definition
EIN	This is a read-only field for the vehicle EIN that was generated on the “Enter Vehicle” page.
Veh Serial #	This is a read-only field for the vehicle serial number that was entered on the “Vehicle & Engine” page.
Your Veh #	This is a read-only field for the optional vehicle identifier that was entered on the “Enter Vehicle” page.
Eng Serial #	This is a read-only field for the engine serial number that was entered on the “Enter Engine” page.
Engine Purchase Date	This is a read-only field for the engine serial number that was entered on the “Enter Engine” page.
Eng MY	The engine model year is determined by the annual new model production period during which the engine was produced. The engine model year should be located on the engine label.
Eng hp	The engine’s net horsepower (hp) or net flywheel power
VDECS Serial #	The VDECS serial number should be listed on the VDECS label or in the information provided by the VDECS manufacturer or installer. VDECS serial numbers may not repeat.
Date Purchase	The date the VDECS was purchased in yyyy-mm-dd format.
Date Installed	The date the VDECS was installed in yyyy-mm-dd format.
VDECS Family Name	Use the drop-down menu to select the VDECS family name from the list. The VDECS family name should be listed on the VDECS label or the information provided by the VDECS manufacturer or installer.

For more information on reporting, please refer to our DOORS user guides, which are available in the Off-road Knowledge Center at <https://www.arb.ca.gov/msprog/ordiesel/knowcenter.htm>.

If you require additional assistance or information, please contact the DOORS hotline by phone at (877) 59DOORS (877-593-6677) or by email at doors@arb.ca.gov.
