

Email to DOORS Fleets that have sold/retired vehicles designated as low-use

Date Sent: January 13, 2015

Subject: Selling Year-by-Year Low-Use Vehicles in DOORS

Dear DOORS Fleet Contact,

Thank you for reporting your off-road fleet in the Diesel Off-road Online Reporting System (DOORS). We are contacting you because you have reported one or more vehicles as being sold or retired while designated as year-by-year low-use. As a courtesy reminder, selling or retiring a vehicle from your fleet may accrue Best Available Control Technology (BACT) credit, which can be used to comply with the annual emission performance requirements of the In-Use Off-Road Diesel Vehicle Regulation (Off-Road Regulation). Selling or retiring a vehicle from your fleet while the vehicle is designated as year-by-year low-use, however, will not accrue BACT credit. For more information on the low-use provisions in the Off-Road Regulation, including information on when BACT credit may be accrued, please see the Low-Use Frequently Asked Questions (FAQ) at <http://www.arb.ca.gov/msprog/ordiesel/faq/lowusefaq.pdf>.

We have adjusted all of your prior sales/retirement transaction(s), so that your account reflects any accrued BACT credit for the vehicle(s) that were sold or retired while designated as year-by-year low-use. In the future, when reporting the sale or retirement of a year-by-year low-use vehicle, please designate the vehicle as "Not Low-Use" prior to reporting the sale. This may be accomplished in two ways: either on the "Low-Use" page after selecting "Edit Fleet Information", or by selecting the checkbox next to "Remove the year-by-year low-use designation" when reporting the sale or retirement of the year-by-year low-use vehicle. For more information on reporting low-use vehicles in DOORS, please see the DOORS User Guide on "How to Report Low-Use Vehicles" at <http://www.arb.ca.gov/msprog/ordiesel/documents/doors/userguide-lowuse.pdf>.

To view your fleet's latest compliance statistics, including its current BACT credit, please see the "Compliance Snapshot" page in DOORS, which is available upon signing into your DOORS account and selecting your fleet name. If you have any questions, please contact the DOORS Hotline at 1-877-59DOORS (1-877-593-6677) or by email at doors@arb.ca.gov.

Sincerely,
Off-Road Implementation Staff
