Date Sent: September 2015

Subject: Upcoming Free Medium Fleet Training Classes for the Off-Road Regulation

The California Air Resources Board is offering the following training courses to help off-road vehicle owners, operators, fleet managers, brokers, dealers, and maintenance personnel understand requirements and technologies for complying with California's In-Use Off-Road Diesel-Fueled Fleets Regulation (also commonly known as the In-Use Off-Road Diesel Vehicle Regulation or Off-Road Regulation). There is no charge to attend these courses, but pre-registration is required. The upcoming course dates are listed below.

Course #504.1 – Off-Road Regulation Requirements for Medium Fleets

Provides an overview of the Off-Road Regulation's requirements that are applicable specifically to medium fleets. The training will also include an overview of the Diesel Off-Road Online Reporting System (DOORS) and a tutorial of the Fleet Average Calculator. In addition, ARB staff will be available after the training to answer individual questions.

September 28 – San Leandro (9:00am – 12:00pm)

October 21 – San Diego (1:00pm – 4:00pm)

November 5 – City of Industry (9:00am – 12:00pm)

November 19 – Riverside (1:00pm – 4:00pm)

December 2 – Selma (9:00am – 12:00pm)
