

Email to DOORS Fleets created with duplicate accounts

Date Sent: August 10, 2012

Subject: Duplicate Fleet

Dear Fleet Owner,

Thank you for reporting your off-road diesel vehicles in the Diesel Off-Road Online Reporting System (DOORS) for the Air Resources Board's In-Use Off-Road Diesel Vehicle Regulation (Off-Road Regulation). You are receiving this email because we noticed that multiple accounts have been created using the same contact information and/or Tax ID number, and we presume that at least one of the accounts may be a duplicate. Alternatively, the fleets may be under common ownership or control, which would require a common Parent ID in DOORS in order to be assigned the appropriate fleet size for compliance purposes.

Having accurately reported information is necessary in order to be in compliance with the Off-Road Regulation. Please respond to this email as soon as possible to let us know whether or not any of the accounts below is indeed a duplicate, or to let us know if the fleets are under common ownership or control. We can then provide assistance in removing the duplicate account or assigning the appropriate Parent ID.

DOORS ID	Company Name	Contact Name	Tax ID

Thank you for your attention to this matter. If you have any questions, please call me at 916-322-0517 or the DOORS toll-free hotline at 877-593-6677.

Sincerely,
