

Email to DOORS Fleet portions that have not completed their Annual Reporting requirements

Date Sent: July 11, 2012

Subject: 2012 ROAR Due

Dear Fleet Owner,

You are receiving this email because you have reported your off-road diesel vehicles in the Diesel Off-Road Online Reporting System (DOORS) as a fleet portion, and we have not yet received your annual Responsible Official Affirmation of Reporting (ROAR). Please be aware that although you have submitted a ROAR for the parent fleet, we still require a ROAR for each of the fleet portions. You can download the ROAR directly from your DOORS account or at http://www.arb.ca.gov/msprog/ordiesel/documents/doors/roar_form.pdf. Please complete the ROAR and submit immediately, following the instructions on the form (via email, fax, or mail), to avoid enforcement action. When completing your annual reporting in the future, please be aware that you have the option of submitting just one ROAR for both the parent fleet and its fleet portions as long as each DOORS ID is clearly written on the form.

If you have additional questions or would like further clarification, please contact our DOORS Hotline at 1-877-59DOORS (1-877-593-6677) or by email at doors@arb.ca.gov.

Sincerely,

The California Air Resources Board
