

Off-Road Diesel Emission Control Strategy (DECS) Manufacturer Distributor (Installers) List

This information is provided by the DECS manufacturers. ARB is not responsible for the content or updating the information.

Rev April 2016

A more current listing of distributors may be available on the manufacturer's website, if available.

Many installer businesses will travel large distances, or may install throughout the entire State

For Off-Road Diesel Regulation information, visit the ARB's In-Use Off-Road Diesel Vehicle regulation web page at www.arb.ca.gov/ordiesel.htm

Engine Control Systems / CDTi CDTi purchased Engine Control Systems (ECS). The CDTi/ECS VDECS for off-road is the electrically regenerated (plug-in) Combfilter, which remains void to install, and the verification EO (approved in 2010) will remain as listing ECS unless the VDECS is changed. www.cdti.com;
