**Subject: Off-Road Diesel Vehicle Regulation – 2013 ROAR Reminder**

Dear DOORS Fleet Owner,

You are receiving this e-mail because we have not received your completed Responsible Official Affirmation of Reporting (ROAR), which was required per the California Air Resources Board's Off-Road Regulation on March 1, 2013. March 1, 2013 was the annual reporting deadline for all large fleets (those with vehicles totaling over 5,000 horsepower OR State/Federal agency fleets). Please submit your completed ROAR to us by e-mail, mail, or fax, as soon as possible. Please note that every day you delay in submitting the required report increases your exposure to enforcement action.

The ROAR form can be found in your Diesel Off-Road Online Reporting System (DOORS) account, after you have selected your fleet name or in the Knowledge Center at: <http://www.arb.ca.gov/msprog/ordiesel/knowcenter.htm>. If you have any problems accessing your ROAR form, please contact the DOORS Hotline at 1-877-59-DOORS (1-877-593-6677). Further information concerning the ROAR requirement is in our advisory at: <http://www.arb.ca.gov/msprog/ordiesel/regadv/adv1202.pdf> and in our Frequently Asked Questions (FAQs) on ROARs at: [http://www.arb.ca.gov/msprog/ordiesel/faq/roar\\_faq.pdf](http://www.arb.ca.gov/msprog/ordiesel/faq/roar_faq.pdf).

If you have any other questions regarding the annual reporting requirements, the ROAR, DOORS, or the In-Use Off-Road Diesel Vehicle Regulation, please contact us at 1-877-59-DOORS (1-877-593-6677) or [doors@arb.ca.gov](mailto:doors@arb.ca.gov).

Thank you,  
ARB Off-Road Staff
