Subject: California Air Resources Board – Upcoming Off-Road Regulation Training Classes

The California Air Resources Board is offering the following training courses in January. This course will help off-road diesel & spark ignition (LSI) vehicle owners, operators, fleet managers, brokers, dealers, and maintenance personnel understand requirements and technologies for complying with California's diesel and LSI vehicle regulations. There is no charge for these courses.

Course #504 - In-Use Off-Road Diesel Vehicle Regulation Training.
Provides an overview of the Off-Road Regulation, including applicability, requirements currently in effect, future compliance requirements, and an overview of the Diesel Off-Road Online Reporting System (DOORS).

January 23 - Wilmington (9:00am-12:00pm)

For more information and to register for 504, please go to
