

**California Energy Commission and Local Air District Contacts for the
Lower-Emission School Bus Program**
(Updated on October 5, 2004)

For information regarding how to apply for program funds, school districts located in the following air quality management or air pollution control districts should contact the applicable program representative shown below:

Bay Area Air Quality Management District
Ms. Karen Chi at 415-749-5121
Kchi@baaqmd.gov

Sacramento Air Quality Management District
Ms. Freya Arick at 916-874-4891
Farick@airquality.org

San Diego County Air Pollution Control District
Mr. Chuck Spagnola at 858-650-4674
Chuck.Spagnola@sdcounty.ca.gov

South Coast Air Quality Management District
Mr. Ranji George at 909-396-3255
Rgeorge@aqmd.gov

For information regarding how to apply for program funds, school districts located in all areas of the state, except those in the four air districts shown above, should contact either of the California Energy Commission program representatives shown below:

Mr. Mike Trujillo at 916-654-4566
Mtrujill@energy.state.ca.us
