

Westrux International and  California EPA ARB

Invite you to attend Course #514 Truck & Bus | Tractor-Trailer GHG

Reporting Training

The Truck and Bus Regulation applies to privately and federally owned diesel trucks and buses that operate in California. Requirements for the regulations begin January 1, 2012 and are phased in annually through January 1, 2023. To take advantage of alternate compliance schedules or other flexibility in the regulation, fleets must report by **March 30, 2012**. In addition, the Tractor-Trailer Green-house Gas (GHG) Reduction Regulation applies to 53' or longer box-type trailers and the heavy duty tractors that pull them. To take advantage of the optional small fleet phase-in schedule small fleets with 20 or fewer 53 ' or longer box-type trailers must report by **July 1, 2012**

- The California Air Resources Board (CARB) is offering Truck & Bus | Tractor-Trailer GHG Reduction Regulation Reporting Training courses to educate fleets through **March 2012**. This training will cover:
- Truck & Bus | Tractor -Trailer GHG Reduction Regulation Requirements
- How to use the automated Truck and Bus Fleet Calculator
- How to report using the Truck Regulation Upload, Compliance and Reporting System (TRUCRS)
