Don't waste your time or money!

Remember:

- Cheap, inexpensive filters may not be legal.
- Check with CARB or the filter manufacturer to confirm that the installer you choose is authorized to do the work.
- Make sure the filter is on CARB's "Currently Verified" list.
- Even if the filter is verified, USED filters do NOT comply with CARB's regulations.

Get information from the approved installer on:

- Engine maintenance.
- How to operate and maintain your filter.
