

# Diesel Truck and Equipment

**Owners** you are invited to a *California Air Resources Board Diesel Big Rig Compliance Workshop*

The ARB's regulations for Diesel Truck and Equipment owners will reduce emissions from existing equipment to meet federally imposed clean air standards.

**Thursday– November 14, 2013 - 11:00am – 2:00pm**

Working Lunch Hosted by Galpin Motors  
Mustang Conference Room 2<sup>nd</sup> Floor  
15555 Roscoe Blvd., Van Nuys, CA 91343

Hear from ARB Experts that will clarify:

- Who is affected by ARB regulations
- Who will perform inspections
- Who is authorized to perform retrofits
- What happens if you are fined
- What financing options are available

Please RSVP to: Darcy Winters, The Valley Economic Alliance 818-379-7000 x108 - [dwinters@economicalliance.org](mailto:dwinters@economicalliance.org) or Cheryl Cast, Galpin Motors 818-778-2171 - [ccast@galpin.com](mailto:ccast@galpin.com)
