

Do you own 3 or less diesel vehicles* and reported for the Small Fleet Option?

Upcoming compliance deadlines may affect you.

Plan ahead! Engine upgrades start as early as 2020.

For more information on when PM filter and engine upgrades are required, visit:

ARB.CA.GOV/TRUCKSTOP or call toll-free **866-6-DIESEL**

Hay información disponible en Español

*Diesel vehicles with a GVWR more than 14,000 pounds that are owned by private or federal government fleets are subject to the Truck & Bus Regulation.

UPCOMING TRUCK & BUS REGULATION DEADLINES

Small Fleet Option

(Must have already reported in the TRUCRS system)

Heavier Vehicles 26,001 lbs. GVWR and Greater

PM Filter Requirement

- First vehicle should already have a PM filter installed.
- Second vehicle has until January 1, 2017 to install a PM filter.*
- Third vehicle has until January 1, 2018 to install a PM filter.

Engine Upgrade Requirement

(Even if previously equipped with PM filter)

Your Engine Model Year	Date to Upgrade Engine to 2010 or newer
1999 or older	January 1, 2020**
2000-2004 or older	January 1, 2021**
2005-2006 or older	January 1, 2022**
All vehicles	January 1, 2023

* If you only have two heavier vehicles, the second vehicle still needs a PM filter installed by January 1, 2017.

** If you installed a PM filter before January 1, 2014, then that vehicle has until January 1, 2023 to upgrade to a 2010 and newer model year engine.
