## Help Us Celebrate “Energy Awareness Month!”

SMUD, the California Air Resources Board, Greenwise Sacramento and the City of Sacramento are partnering on the  
“**Sacramento Small Business Energy & Water Makeover**”

to help small businesses in Oak Park and Stockton Blvd. lower their energy consumption and improve their bottom line. For one week, October 4-8, SMUD and the City of Sacramento Department of Utilities will conduct energy and water “check-ups” at small businesses to show them how small improvements can make a big impact on the environment and their business.

### 1 Week, 100 Businesses!

Presenting Partners:
