

SOUTH COAST AIR QUALITY MANAGEMENT DISTRICT

RULE 204 - PERMIT CONDITIONS

(Adopted January 9, 1976) (Amended January 4, 1985)(Amended March 6, 1992) (Amended October 8, 1993)

To assure compliance with all applicable regulations, the Executive Officer may impose written conditions on any permit. The Executive Officer may, after 30-day notice to the permittee, add or amend written conditions on any permit upon annual renewal to assure compliance with and enforceability of any applicable rule or regulation. Additional provisions, as required by Title V of the federal Clean Air Act, for the reopening of facility permits are specified in Regulation XXX. Commencing work or operation under such revised permits shall be deemed acceptance of all the conditions so specified.
