Passenger Vehicle Concepts --South Coast 2015 Reductions (tpd)--

<u>Control Concept</u>	Reductions "Up To"	
	<u>NOx</u>	<u>ROG</u>
Smog Check Improvements	14	14
Vehicle Scrap & Parts Replacement	2	2

2007 SIP Workshop

November 14, 2006

Key Assumptions

- Keep current Smog Check intact and strengthen program
- Expand current BAR retirement program with targeted regional efforts for South Coast and San Joaquin Valley
- Fully implement by 2015

2007 SIP Workshop

November 14, 2006

Next Steps

- Define specific scope of expanded testing, increased stringency, and timing
- Determine mechanism to identify high use vehicles
- Evaluate funding sources for vehicle retirement incentives

2007 SIP Workshop
