Dear Sir or Madam:

The California Air Resources Board (ARB) has developed the draft State Strategy for incorporation in the State Implementation Plans (SIPs) for 8-hour ozone and PM2.5 air quality standards. The SIPs for 8-hour ozone and PM2.5 are due to the U.S. Environmental Protection Agency in 2007 and 2008, respectively. A copy of the draft State Strategy can be found on the ARB website at:

<http://www.arb.ca.gov/planning/sip/2007casip.htm>

You are invited to participate in workshops on the State Strategy. Five workshops will be held on the dates and locations below. More information will be available at <http://www.arb.ca.gov/planning/sip/2007casip.htm> prior to the workshop.

**Please note: In our previous update we let you know that we changed the date and time of the El Monte workshops. Today's update is to inform you that we added an evening workshop in Bakersfield.** The workshops will be covering the same topics so you may choose the time and location most convenient for you.

The Fresno workshop will be video teleconferenced to the San Joaquin Valley satellite sites.

Northern Regional Office - 4800 Enterprise Way, Modesto, Ca. 95356  
Southern Regional Office – 2700 M Street, Suite 275, Bakersfield, Ca. 93301

We anticipate that the Board will consider the draft State Strategy as a potential revision to California's SIP at a public hearing in Spring 2007.

Please contact Ms. Karen Buckley of the Planning and Technical Support Division at (916) 322-7673 for additional information about the workshop. For individuals with sensory disabilities, this document is available in Braille, large print, audio cassette or computer disk. Please contact ARB's Disability Coordinator at (916) 323-4916 by voice or through the California Relay Service by calling 711, to place your request for disability services.

Sincerely,

/s/
