## PUBLIC MEETING NOTICE

May 8, 2008

### **Invitation to discuss Technical Foundation of the San Joaquin Valley PM2.5 Plan**

California Air Resources Board (ARB) staff would like to invite you to a meeting to discuss the comprehensive scientific studies on particulate matter that have been conducted in the Valley and address questions on the technical elements of the San Joaquin Valley PM2.5 Plan. On May 7, 2008, ARB released a Staff Report evaluating the San Joaquin Valley's PM2.5 Plan along with a recommendation to our Board to approve the Plan and forward it to the United States Environmental Protection Agency. The staff's recommendation will be considered at our Board hearing scheduled on May 22, 2008, in Fresno.
