

California Environmental Protection Agency

AIR RESOURCES BOARD

Executive Order S-14-005

WHEREAS, the California State Implementation Plan (SIP) revision identified in Enclosure A was adopted by the Placer County Air Pollution Control District (District) on February 13, 2014.

WHEREAS, the District has primary responsibility for control of air pollution from all sources other than vehicular sources (California Health and Safety Code (H&SC) Sections 39002 and 40000); and

WHEREAS, the District is authorized by H&SC Section 40702 to adopt rules and regulations and do such acts as may be necessary to execute the powers and duties granted to, and imposed upon, the District; and

WHEREAS, the District is a designated nonattainment area for the 8-hour ozone standard under Section 181 of the federal Clean Air Act; and

WHEREAS, the Clean Air Act Section 182 requires the District, as an ozone nonattainment area classified as moderate and above, to implement volatile organic compound reasonably available control technology rules and regulations for major stationary sources existing in the District; and

WHEREAS, for source categories not represented within the area designated nonattainment for ozone, the U.S. Environmental Protection Agency requires the submission of a negative declaration certifying that those sources are not present; and

WHEREAS, The District has found that no major stationary sources for the Control Technique Guideline categories identified in Enclosure A exist within the District; and

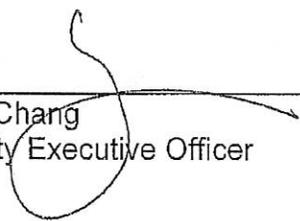

WHEREAS, the District has adopted the negative declaration and has submitted it to the Air Resources Board (ARB) for inclusion in the SIP; and

WHEREAS, ARB has determined that the SIP revision is necessary to meet the requirements of the federal Clean Air Act; and

THEREFORE, IT IS ORDERED that ARB hereby adopts the federal negative declaration identified in Enclosure A as a revision to the SIP.

I certify, pursuant to 40 CFR 51.102(f), that the SIP revision identified in Enclosure A was adopted after notice and public hearing as required by 40 CFR 51.102(a) and 51.102(d).

Executed in Sacramento, California, this 14th day of April, 2014.
