Keeping this form onsite with the registered engine or equipment unit meets the specific requirement contained in Portable Equipment Registration Program Regulation section 2458(b) which states that a rental or lease agreement must be kept onsite with the registered engine or equipment. Using this form in lieu of keeping a copy of the formal rental agreement onsite in no way relieves the engine and/or equipment unit owner or renter from the requirement to comply with all applicable requirements of the PERP regulation, registration, and related conditions. Renters are advised to review the PERP registration conditions to ensure all requirements are met during the operation of this engine or equipment unit.

Form 10 Instructions
