

State of California  
Air Resources Board

Executive Order (G-10-044)  
(REPLACES EXECUTIVE ORDER G-09-062)

Relating to Essential Modifications Exemption under California Code of Regulations,  
title 13, section 2299.2(g) and title 17, section 93118.2(g)

**The Great Eastern Shipping Company Ltd.**

WHEREAS, pursuant to sections 39600, 39601, 41510, 41511, 43013, and 43018 of the Health and Safety Code, the California Air Resources Board (ARB) has established requirements for ocean-going vessels (OGV) to use marine gas oil (DMX or DMA grades) or marine diesel oil (DMB grades) at specified sulfur limits in the main engine, auxiliary engines, and auxiliary boilers within a 24 nautical mile zone of the California Coastline; these requirements are found at California Code of Regulations (CCR), title 13, section 2299.2 and title 17, section 93118.2 (OGV Fuel Regulation);

WHEREAS, subdivision (g) of the OGV Fuel Regulation authorizes the Executive Officer to provide an exemption in whole or part from using the specified fuels provided that a person submits an Essential Modification Report that: (1) includes information demonstrating it is not feasible to use the specified fuels unless essential modifications to the OGV are made; and (2) identifies the maximum extent with respect to trip distance or regulated equipment type to which the vessel can use the fuels without essential modifications where feasible and safe for each of the auxiliary engines, main engines, and auxiliary boilers;

WHEREAS, The Great Eastern Shipping Company Ltd., submitted Essential Modification Reports dated August 31, 2009 requesting essential modification exemptions for the auxiliary boilers on the following vessels listed in Table 1;

WHEREAS, ARB approved Executive Order G-09-062 on September 9, 2009 for the vessels listed in Table 1;

WHEREAS, The Great Eastern Shipping Company Ltd., submitted documentation on May 5, 2010 requesting a correction to the auxiliary boiler model numbers on the following vessels: Jag Lyall, Jag Prerana, Jag Pushpa, and Jag Prakash;

WHEREAS, Table 1 has been updated to show the corrected auxiliary boiler model numbers as requested by The Great Eastern Shipping Company Ltd.;

WHEREAS, the Essential Modification Reports state that the aforementioned vessels could not use the fuels specified in the OGV Fuel Regulation in the auxiliary boilers without essential modifications;

WHEREAS, The Great Eastern Shipping Company Ltd. stated it is planning on making the modifications to the vessels listed in Table 1 to enable the vessels to use the required fuels in the auxiliary boilers;

WHEREAS, ARB has reviewed the Essential Modification Reports and additional supporting materials provided by The Great Eastern Shipping Company Ltd., and determined that the submissions satisfactorily demonstrate that essential modifications are necessary for the auxiliary boilers on the vessels listed in Table 1 to fully comply with the fuel use requirements in the OGV Fuel Regulation;

WHEREAS, based on the determinations described above, the vessels listed in Table 1 qualify for an essential modification exemption for the auxiliary boilers;

NOW, THEREFORE, IT IS ORDERED, The Great Eastern Shipping Company Ltd., is granted an exemption from the fuel use specifications set forth in subdivision (e)(1) and from the recordkeeping, reporting and monitoring requirements in subdivision (e)(2) of the OGV Fuel Regulation for the auxiliary boilers on the vessels listed in Table 1, subject to the limitations and conditions in this order and the OGV Fuel Regulation;

BE IT FURTHER ORDERED, the vessels listed in Table 1 shall comply with the fuel specifications set forth in subdivision (e)(1) and the recordkeeping, reporting and monitoring requirements in subdivision (e)(2) of the OGV Fuel Regulation for the main engines and auxiliary engines in the vessels listed in Table 1;

BE IT FURTHER ORDERED, that Executive Order G-09-062 previously issued to The Great Eastern Shipping Company Ltd. is now revoked;

BE IT FURTHER ORDERED, that if the OGV Fuel Regulation is amended to modify any provisions relating to the essential modification exemption, the Executive Officer may revoke or modify this essential modification exemption as necessary to bring it into conformance with the revised regulation;

BE IT FURTHER ORDERED, if the Executive Officer issues written findings that federal requirements are in place that will achieve equivalent emissions reductions within the Regulated California Waters pursuant to subdivision (j) of the OGV Fuel Regulation, the Executive Officer shall revoke this exemption upon notice to The Great Eastern Shipping Company Ltd.;

BE IT FURTHER ORDERED, if the Executive Officer determines that the essential modification exemption is no longer warranted, the Executive Officer may modify or revoke this exemption after providing 30 days written notice to The Great Eastern Shipping Company Ltd. of its intent to modify or revoke the exemption;

BE IT FURTHER ORDERED, if the essential modifications that are the basis for this exemption are made voluntarily, or due to other regulatory requirements, or for other reasons, then this exemption terminates and the auxiliary boilers on the vessels listed in Table 1 must use the required fuels while in Regulated California Waters, and The Great Eastern Shipping Company Ltd. must provide ARB with immediate written notification that modifications have been made;

BE IT FURTHER ORDERED, the Executive Officer encourages  
The Great Eastern Shipping Company Ltd. to voluntarily make the essential  
modifications noted above to the vessels listed in Table 1 and to use the specified fuels  
in the OGV Fuel Regulation while in California Regulated Waters to benefit the health  
and welfare of California's citizens.

Executed at Sacramento, California this 3<sup>rd</sup> day of June, 2009
