

Scenario 1 Initial Notification Form

Instructions:

Scenario 1 of the March 2015 Regulatory Advisory addresses vessel visits where the vessel is equipped to receive power, but the terminal's shore power berth is not able to provide power. One requirement to qualify for relief under Scenario 1 is to inform ARB staff, before the vessel departs, that a vessel visit falls under Scenario 1. The following form can be completed and e-mailed to shorepower@arb.ca.gov to fulfill this requirement.
