

BUILDING AMERICA®

California Environmental Protection Agency

 **Air Resources Board**

**Union Pacific Railroad invites you to a
Community Meeting regarding the
Particulate Emission Reduction Program for
the UP Rail Yard located at Lamar Street**

Monday, April 24, 6:00 - 8:00 p.m.

Our Lady Help of Christians Church
512 South Avenue 20, Los Angeles

Come and learn how Union Pacific Railroad (UPRR),
and the Air Resources Board (ARB)
are working together to reduce emissions
and improve air quality in your community!

Join us to voice your opinions and to learn more on:

- The UPRR and ARB Pollution Reduction Strategy
- Overview of operations at the UP Los Angeles Transportation Center at 750 Lamar Street
- Implementation strategies to reach our emission reduction goals

For more information, please contact
Lupe C. Valdez, UPRR Director of Public Policy and Community Affairs
(626) 935-7617 or Yesenia Arias, Arellano Associates 909) 627-2974.

*All information will be presented in English and Spanish simultaneously.
Refreshments will be provided.*
