Notice of Decision

Project Title: Minor Modifications to the Zero Emission Vehicle Regulation
(SCH# 2011122029)

Project Location: Statewide

Public Meeting Date: October 24, 2013; Agenda Item 13-9-4

Project Description: Minor amendments to the existing Zero Emission Vehicle (ZEV) Regulation will effectuate an agreement between the Section 177 states and regulated manufacturers, add provisions to ensure ZEVs are delivered for sale in California every year, modify the fast refueling definition, add conforming and clarifying language where needed, and correct grammatical and California Code of Regulation (CCR) reference errors.

Approved By: Air Resources Board
Executive Order R-14-004
Dated: May 30, 2014

This notice is to advise that ARB, as the lead agency, has adopted the above described regulatory action on May 30, 2014 and has determined that the regulatory action will not have a significant adverse effect on the environment (see attached Executive Order R-14-004).

ARB prepared an environmental analysis (EA) in accordance with the requirements of its certified regulatory program under CEQA. (Cal. Code Regs., tit. 14, §15251, subd, (d).) The EA, included in the Staff Report: Initial Statement of Reasons for Proposed Rulemaking entitled "*Minor Modifications to the Zero Emission Vehicle Regulation*" (Staff Report) prepared for the proposed rulemaking, concluded implementation of the amendments would not result in any significant adverse environmental impacts.

No written comments received during the 45-day comment period raised any significant environmental issues pertaining to this item.

No mitigation measures, findings, or statement of overriding considerations were adopted for this regulatory action because the regulation will not have a significant adverse impact on the environment.

The EA included in the Staff Report and all other regulatory documents are available on the ARB rulemaking webpage at: <http://www.arb.ca.gov/regact/2013/zev2013/zev2013.htm>
