

EXECUTIVE ORDER D-759-12

Relating to Exemptions Under Section 27156 of the California Vehicle Code

Mishimoto Automotive

Performance Intercooler, Performance Intercooler Kit, and Performance Intercooler Pipe Kit

Pursuant to the authority vested in the California Air Resources Board by Section 27156 of the Vehicle Code; and

Pursuant to the authority vested in the undersigned by Section 39515 and Section 39516 of the Health and Safety Code and Executive Order G-19-095;

IT IS ORDERED AND RESOLVED: That installation of the Performance Intercooler, Performance Intercooler Kit, and Performance Intercooler Pipe Kit, manufactured and marketed by Mishimoto Automotive, of 7 Boulden Circle, New Castle, Delaware 19720, has been found not to reduce the effectiveness of the applicable vehicle pollution control systems and, therefore, is exempt from the prohibitions of Section 27156 of the California Vehicle Code for the vehicles listed in Exhibit A.

The Performance Intercooler Kit consists of an intercooler and charge pipes. Charge pipes are pipes and hoses that connect between the intercooler outlet and the throttle body, and between the turbocharger compressor outlet and the intercooler inlet. The Performance Intercooler consists of an intercooler only. The Performance Intercooler Pipe Kit consist of charge pipes only. All stock sensors are reconnected to the new charge pipe between the intercooler outlet and throttle body.

The Performance Intercooler Pipe Kit is not compatible with the stock intercooler and it must be installed with the Performance Intercooler. The Performance Intercooler can be installed with either the stock charge pipes or Performance Intercooler Pipe Kit. The Performance Intercooler Kit combines the Performance Intercooler and Performance Intercooler Pipe Kit.

This Executive Order is valid provided that the installation instructions for the Performance Intercooler, Performance Intercooler Kit, and Performance Intercooler Pipe Kit will not recommend tuning the vehicle to specifications different from those of the vehicle manufacturer.

Changes made to the design or operating conditions of the Performance Intercooler, Performance Intercooler Kit, and Performance Intercooler Pipe Kit, as exempted by the California Air Resources Board, that adversely affect the performance of the vehicle's emission control system, shall invalidate this Executive Order.

This Executive Order shall not apply to any Performance Intercooler, Performance Intercooler Kit, and Performance Intercooler Pipe Kit advertised, offered for sale, sold with, or installed on a new motor vehicle prior to or concurrent with transfer to an ultimate purchaser.

Marketing of the Performance Intercooler, Performance Intercooler Kit, and Performance Intercooler Pipe Kit using any identification other than those shown in this Executive Order or marketing of the Performance Intercooler, Performance Intercooler Kit, and Performance Intercooler Pipe Kit for an application other than those listed in this Executive Order shall be prohibited unless prior approval is obtained from the California Air Resources Board.

This Executive Order does not constitute any opinion as to the effect the use of the Performance Intercooler, Performance Intercooler Kit, and Performance Intercooler Pipe Kit may have on any warranty either expressed or implied by the vehicle manufacturer.

Exemption of the Performance Intercooler, Performance Intercooler Kit, and Performance Intercooler Pipe Kit shall not be construed as an exemption to sell, offer for sale, or advertise any component of the assembly as individual devices.

This Executive Order is granted based on information supplied by Mishimoto Automotive, including emissions test data.

The California Air Resources Board reserves the right in the future to review this Executive Order and the exemption provided herein to assure that the exempted add-on or modified part continues to meet the standards and procedures of Title 13, California Code of Regulations, Section 2222, et seq.

THIS EXECUTIVE ORDER DOES NOT CONSTITUTE A CERTIFICATION, ACCREDITATION, APPROVAL, OR ANY OTHER TYPE OF ENDORSEMENT BY THE CALIFORNIA AIR RESOURCES BOARD OF ANY CLAIMS OF THE APPLICANT CONCERNING ANTI-POLLUTION BENEFITS OR ANY ALLEGED BENEFITS OF THE PERFORMANCE INTERCOOLER, PERFORMANCE INTERCOOLER KIT, AND PERFORMANCE INTERCOOLER PIPE KIT.

No claim of any kind, such as "Approved by the California Air Resources Board", may be made with respect to the action taken herein in any advertising or other oral or written communication.

Violation of any of the above conditions shall be grounds for revocation of this Executive Order. The Executive Order may be revoked only after a ten-day written notice of intention to revoke the Executive Order, in which period the holder of the Executive Order may request in writing a hearing to contest the proposed revocation. If a hearing is requested, it shall be held within ten days of receipt of the request and the Executive Order may not be revoked until a determination is made after the hearing that grounds for revocation exist.

Executed on this 3rd day of September 2021.

Allen Lyons, Chief
Emissions Certification and Compliance Division
