

OUTDOOR RESIDENTIAL WASTE BURNING INFORMATION

SISKIYOU COUNTY

The Siskiyou County Air Pollution Control District defines **26 RESTRICTED AREAS** in the County where using burn barrels and burning residential waste outdoors are NOT allowed. These restricted areas include Incorporated Places and populated communities where emissions of toxic air contaminants from burning household wastes can affect residents and neighbors in the community.

Temporary exemption areas *might* be in parts of the following Zip Code Tabulation Areas (ZCTAs), but only where there are no prior prohibitions. Please contact Siskiyou County Air Pollution Control District for further information in regards to the **26 RESTRICTED AREAS** mentioned above.
