The California Environmental Garment Care Project
brings you the second regional seminar for CO₂ Cleaning & Professional
Wet Cleaning

Demonstrations begin at 1:00pm

- Live demonstration by skilled operation using state-of-the-art cleaning equipment
- Instruction on processing “Dry Clean Only” garments
- Information on labor-saving finishing techniques
- Techniques on efficient spot removal
- Q&A with experienced professional cleaners for both technologies

Cash Incentives Available!

- Apply to receive \$10,000 from State of California incentive program (AB998) for cleaners switching to either CO₂ dry cleaning and/or professional wet cleaning
