LICENSE

1. Grant Of License

ARB retains the title to this software and grants you a worldwide, royalty-free, non-exclusive, perpetual (for the duration of the applicable copyright) license to exercise the following rights in the HotSpots Analysis and Reporting Program (hereinafter "software") within the terms and conditions of this agreement:

to use the software on computers, either on a single CPU or on a computer network. For purposes of this license agreement, "computer network" means any electronically linked configuration that allows two or more users to have common access to software or data.

These rights may be exercised in all media and formats, now known or hereafter devised. All rights not expressly granted by ARB are hereby reserved. ARB specifically reserves the rights to reproduce the software, to distribute copies of the software to the public, and to create and reproduce derivative works.

2. Restrictions

The license granted in Section 1 above is expressly made subject to and limited by the following restrictions:

a. You agree to mark or have marked on all copies of the software the following copyright notice:

"Copyrighted 2003, State of California Air Resources Board"

Such credit may be implemented in any reasonable manner.

You must include a copy of, or the Uniform Resource Identifier (URL) for, this license with every copy of the software. You may not offer or impose any terms on the software that alter, modify or restrict the terms of this license or any recipients' exercise of the rights granted hereunder. You may NOT rent, lease or sublicense the software. You must keep intact all notices that refer to this license and to the disclaimer of warranties.

b. You may not exercise any of the rights granted you in Section 1 in exchange for any form of monetary compensation or in any manner that is primarily or incidentally intended or directed toward commercial advantage.

### 3. Disclaimer of Warranties

EXCEPT AS REQUIRED BY APPLICABLE LAW, THIS SOFTWARE IS LICENSED ON "AS IS" BASIS, WITHOUT WARRANTIES OF ANY KIND. ARB SPECIFICALLY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THE SOFTWARE, OR ANY WARRANTIES REGARDING THE CONTENTS OR ACCURACY OF THE SOFTWARE.

### NO LIABILITY FOR CONSEQUENTIAL DAMAGES

Except to the extent required by applicable law, in no event is ARB liable to you on any legal theory for any damages whatsoever (including, without limitation, damages for loss of business profits, business interruption, loss of information, or other pecuniary loss) arising out of the use of or inability to use this software program, even if ARB has been advised of the possibility of such damages.

### 4. Termination

This license and the rights granted hereunder will terminate automatically upon any breach by you of the terms of this license. Sections 3, 4, and 5 will survive any termination of this license.

Subject to the above terms and conditions, the license granted is perpetual (for the duration of the

applicable copyright in the software).  
Notwithstanding the above, ARB reserves the right to release the software under different license terms or to stop distributing the software at any time; provided, however, that any such election will not serve to withdraw this license (or any other license that has been, or is required to be granted under the terms of this license), and this license will continue in full force and effect unless terminated as provided above.

#### 5. Governing Law and General Provisions

This license agreement shall be construed, interpreted, and governed by the laws of the State of California. If any provision of this statement is found void or unenforceable under applicable law, it will not affect the validity of the balance of this statement, which shall remain valid and enforceable according to its terms.

This license constitutes the entire agreement between you and ARB with respect to the software program licensed here.
