National Air Compliance Training Delivery Project

Uniform Air Quality Training Program

100 Series

January 29 – February 1, 2008

Pennsylvania Department of Environmental Protection

Southeast Regional Office

2 East Main Street

Norristown, Pennsylvania 19401

These courses are intended to be a concise introduction to air pollution for entry-level compliance Inspector and other enforcement staff. Attendees will gain a working knowledge of the historical, technical, regulatory and enforcement aspects of air pollution. Attendance in all four days of class and passing an open-book exam, given daily, is required to receive a certificate of completion.
