

Modification Highlights – OPW Executive Order VR-102-J

- Legal Language has been updated to reflect new revision.
- Exhibit 1 has been updated to include the OPW 1-3100 series double wall spill container and the four versions of the CompX TANK Commander locking product dust caps (two versions) and vapor dust caps (two versions).
- The Installation, Operation and Maintenance (IOM) Manual has been updated to include instructions for installing the OPW 1-3100 series double wall spill container and the CompX locking caps.
- The IOM manual has been updated to include new instructions for the OPW 61SALP Product Adaptor and OPW 61VSA Vapor Adaptor. The new instructions include an annual torque test using the OPW 200459 Swivel Adaptor Torque Tool.
- Header and footer updates to reflect new revision level of the executive order.
