

Modification Highlights for Executive Order VR-401-D

Executive Order VR-401-D:

Legal Language

- Title changed to EO VR-401, Revision D.
- Include paragraphs to reflect the EO expiration date and the one-year extension of VR-401.
- Temporarily remove certification specific language regarding: the test procedures and standards followed during the certification testing process; outside agency approvals; component warranty; manufacturer performance testing; the inclusion of the IOM; component identification; the prohibition of system alteration; start-up testing; and fuel compatibility.
- Modify final paragraphs with language regarding superseding of EO VR-401-C and the incorporation by reference Exhibits 1-5 and the IOM of VR-401-C into EO VR-401-D.
- Executive Order date is extended to July 1, 2015.

Exhibits 1 through 5

- No change.
- Headers/Footers remain for EO VR-401-C.

ARB Approved Installation, Operation, and Maintenance Manual

- No change.
- Headers/Footers remain for EO VR-401-C.
