EXECUTIVE ORDER VR-001

Recertification of Selected Executive Orders Associated with
Franklin Electric, Inc.'s Acquisition of Healy Systems, Inc.

WHEREAS, the California Air Resources Board (ARB) has established, pursuant to California Health and Safety Code sections 25290.1.2, 39600, 39601 and 41954, certification procedures for systems designed for the control of gasoline vapor emissions during motor vehicle fueling operations in its CP-201, ***Certification Procedure for Vapor Recovery Systems at Gasoline Dispensing Facilities*** (Certification Procedure) as last amended February 9, 2005, incorporated by reference in title 17, California Code of Regulations, section 94011;

WHEREAS, ARB has certified several vapor recovery systems manufactured by Healy Systems, Inc.;

WHEREAS, the Certification Procedure provides that if the ownership, control or significant assets of the vapor recovery system certification holder are changed as a result of a merger, acquisition or any other type of transfer, the expiration date of the certification shall remain unchanged;

WHEREAS, the Certification Procedure provides no person shall offer for sale, sell, or install any system covered by the certification unless the system or component is recertified under the new ownership;

WHEREAS, Franklin Electric Co., Inc. acquired all assets of Healy Systems, Inc. on September 15, 2006;

WHEREAS, Franklin Electric has requested permission to maintain selected Healy System certifications as listed in Attachment 1;

WHEREAS, Franklin Electric, as a condition of certification, assumes the rights of, and responsibilities for, the Healy System Executive Orders listed in Attachment 1 and as required under the ARB vapor recovery certification regulations, title 17, CCR, sections 94010 and 94011, and agrees to maintain the current established Healy manufacturing process for the duration of the term of the Executive Orders;

WHEREAS, I, Catherine Witherspoon, California Air Resources Board Executive Officer, find that the Franklin Electric financial reports support the ability of Franklin Electric to honor all warranty obligations of Healy Systems;

NOW, THEREFORE, IT IS HEREBY ORDERED that the Healy System certifications listed in Attachment 1 are recertified under the ownership of Franklin Electric, Inc.

Executed at Sacramento, California, this 25th day of September 2006.

Catherine Witherspoon
Executive Officer
