Public Workshop Notification

Subject: Vapor Recovery Equipment Defects List Update

Date: Wednesday, March 10, 2004

Time: 10:00 a.m. to 12:00 p.m.

Location: MLD 1st floor Conference Room
1927 13th Street
Sacramento, California, 95814

Background:

On November 5, 2003 the California Air Resources Board (ARB) held a public workshop to review the current Vapor Recovery Equipment Defects (VRED) list, adopted on September 23, 2002, and present proposed changes. This workshop was a three-year mandated review at which it was determined that the ARB would proceed with proposed changes.

Workshop Information:

The ARB is holding a second workshop to present additional changes that have been requested to be incorporated into the VRED list. This meeting is open to federal, state, and local agencies; equipment manufacturers and their associations; wholesale and retail petroleum suppliers; installation, testing, and maintenance contractors; and any party interested in the VRED List review process.

This facility is accessible to persons with disabilities. If you have special accommodation or language needs, please contact Elizabeth Mongar at (916) 327-0900 as soon as possible. TTY/TDD/Speech-to-Speech users may dial 7-1-1 for the California Relay Service.

If you have questions about the workshop or need additional information, please telephone Ranjit Bhullar at (916) 322-0223 or Neil Nipper at (916) 445-9391.

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our Website: <http://www.arb.ca.gov>.
